Team listed first will play out of the third base dugout. A coin toss will be used to determine the home team. If playing back to back no need to switch dugouts.

When arriving and you have the first game, there is softball league play on going. Please go behind Field A's home run fences for warm-up. (Front Field). When the games end we will shift the fields around to full dome baseball. Please be aware we will be moving equipment around. When the dugouts are in place, feel free to go into your assigned dugout.

Teams that don't have the first game can warm-up beyond the home run demarcation line or fence line.

Home runs will be counted: Center Field and Left Field are deeper, so standard baseball. Right field is short and a home run will only be counted if the ball is hit above the lights in right field. Anything under the top of the light is a live ball.

Ball off the top of the dome are dead balls, and cannot be caught for an out. Unlimited foul balls.

Umpires will be hustling the teams along, not in an effort to rush you, but to maximize the 1:20 game time.
